

Part-time contract available Facilitator for a peer-led support group

Time: 3 paid hours, with 1-2 pro-bono hours if required

Pay: \$60 per hour, \$180 per week

City: Wellington, CBD

If you are passionate about making a difference in helping women who are dealing with depression, this is the work for you!

ThroughBlue www.throughblue.org.nz is a long-established (20 years) Wellington peer support group geared towards assisting women to learn self-help strategies for overcoming depression.

We welcome counsellors who have their own private practice and would be interested in augmenting their case-load by facilitating this once weekly, 2 hour peer support group.

ThroughBlue is peer-run, so a successful facilitator will demonstrate willingness to collaborate and discuss procedures with the board and the group members.

The contract requires a facilitator with:

- > Experience in counselling (preferably running support groups).
- > A woman (as this is a support group for women only) with a mature & sensitive outlook.
- > An understanding of group process; education, therapy, and community.
- > Excellent interpersonal and communication skills.

Applicants must either be current members of the New Zealand Association of Counsellors, or have a Certificate of Registration from the Psychologists Board.

Facilitators applying for this contract must have NZ residency or a valid NZ work visa.
