

Calling all Counsellors!

EAP Services is part of the wider Habit Health Group, a nationwide healthcare provider. Our professionals help hundreds of thousands of Kiwis across 115 locations, making a difference every day.

We are now on the lookout for qualified Counsellors. Expand your clinical practice with a multidisciplinary market leader across a range of contracts.

What can we offer you?

We support our clinicians through:

- Varied clinical services, with a genuine focus on client care and intervention – no more paperwork!
- Supported professional development - annual study funding, reimbursement of professional memberships and paid study days.
- Live life with our flexible working arrangements.
- An extensive network of professionals.
- Ngā Kaihāpai, Rainbow Tick, and other initiatives to ensure inclusion.
- Our salaries are market-competitive, and we have a range of generous bonuses and relocation allowances.
